FUNERAL SERVICES

There were no baptisms or marriages in August. Funeral services were held for Michael (Mick) Davenport, 72, on August 7. Mick was the husband of our member, Donna Davenport. Also, on August 30, a memorial service was held for Elizabeth Kuhnert, 86. Elizabeth married Elmer Kuhnert on August 26, 1955 and was baptized and confirmed on February 5, 1956 by Pastor Hauer. We pray our Lord's comfort to the families of these loved ones.

REVEREND MARTY REED

On September 1st, Reverend Marty Reed is joining the Pastoral staff here at Trinity. Pastor Reed and his wife Laurie (teaching grade one at Trinity School) are coming to Trinity from Zion Lutheran Church, Popular Bluff, Missouri. Pastor graduated from Concordia Seminary, St. Louis in 1993. We welcome Pastor Reed and Laurie to Trinity, pray God's blessings upon them and look forward to serving our Lord with them.

COMMISSIONED INTO TEACHING

On August 18th, we Commissioned into the teaching ministry of our LCMS, one of our members, Monica Lennington. Monica was baptized and confirmed here, graduated from Trinity School, and in May this year, graduated from Concordia University, Seward, Nebraska. We welcome Monica into the teaching ministry of the LCMS and to the staff of our Trinity School.

Also, another one of our own, Jayme Lowe, was Commissioned into the teaching ministry of the LCMS at Immanuel Lutheran Church in Seymour, Indiana. Jayme also graduated from Trinity School, and, in May, from Concordia, Nebraska. She is teaching this year at Trinity Lutheran High School in Seymour. We are certainly proud of these two young ladies and pray God's blessings upon them.

SCHOOL SPONSORS

As of this writing we have 18 School Sponsors for the 2019-20 school year. We still need 22, our goal is 40. Please remember that a School Sponsor makes a gift of \$200.00 to help a child receive a Christian education at Trinity Lutheran School.

"EVERYONE HIS WITNESS"

On Saturday, August 17th, Rev. Dan Galchutt conducted the workshop, "Everyone His Witness". Please read about this very important event elsewhere in this Newsletter. Also, please read about the National Youth Gathering in a "Thank You" letter written by John Hornbostel.

150th ANNIVERSARY

We are looking forward to the weekend of September 28-29. That is when we will be celebrating the 150th Anniversary of Trinity School. On Saturday evening (7:00-11:00 p.m.) There will be a special gathering at the Bellevue Country Club and on Sunday there will be a banquet at noon in our gym. Dr. Brian Friedrich, President of Concordia University, Seward, will be our speaker. This banquet is for all members of Trinity, not just Trinity School graduates. So, come join us.

BOY SCOUTS

We recently received a small poster which says, "Trinity Lutheran Church is hereby recognized and commended by the PONY EXPRESS COUNCIL, BOY SCOUTS OF AMERICA for outstanding service and dedications to youth for 40 YEARS OF CONTINUOUS SERVICES as a chartering partner with Troop 94 in the Pony Express Council, 2019". Thank you to the many men and women who through the years have been and still are leading and working in our Scout program.

ELDER'S CALLING

Our Elders call in the homes of members on the first and third Tuesdays of the month. They come in the name of our Lord, to encourage and strengthen, comfort and remind. Please invite them into your home with respect and hospitality. If you are busy when they come, invite them to come at another time. The work of an Elder is to help the Pastor take care of the spiritual needs of God's people. Our Elders are men dedicated to this caring ministry.

ANNUAL CHURCH PICNIC

Our Annual Church Picnic was held August 23rd, and as usual, it was a GREAT event. Some 250 people were there. What was different this year was the tables and chairs were in the garage and on the porch of the garage/maintenance building. The food tables were in the storage rooms of the building. What was also new was the GaGa Ball Pit which was certainly a hit with the children and was in constant use. It was built by John Bisping (thank you, John). John also made the crosses that were given to various folks. And, a big THANK YOU to Terry Mills (who spent all day getting things ready, cooking, etc.) and the Fellowship Committee (Lori Elias, Bart

and Joy Lennington, Barb Easterday, Doug Fridell, Luke Hofacker) plus Jim and Joyce Duitsman, John and Roschelle Bisping, Lori Leonardi and her 7th and 8th graders, plus the folks who helped take down and put away. Also, thank you to Derrick Franklin and the Hardware Store for their generous donations.

THANK YOU

Thank you Deacon Mike Carney who has helped with our worship services by doing the Liturgy the last couple of years and for preaching several times. Also, when we've had members in the V.A. in Leavenworth, Mike has ministered to them.

SUNDAY SCHOOL

We are now enrolling children for the new Sunday School year. We are praying that all of Trinity's children will be enrolled. Rally Day is September 15th.

Morning Break begins on Wednesday, September 11th at 9:00. This a Bible Study/Fellowship group for ladies of Trinity and the community. We will continue our study of Acts.

One final word: On Sunday, September 8th, we will have a door offering for the members of Trinity who were/are victims of the flood.

Another final word: Please stop in our Bookstore. New Sunday morning hours are, 8:30-9:30 and 10:15-10:45 a.m., and for special times, contact Roschelle Bisping.

And still another final word: I will see people leaving before Holy Communion or right after receiving Communion. This is a terrible witness to visiting people and to fellow members. In everyday life after being invited to someone's table, to "eat and run" is not only impolite, it is also dishonoring. When it comes to the Lord's Table, that is even more so. Besides this, to enter the new week without God's blessing (the Benediction) is not good.

Now see you next Sunday. Be sure to speak to and greet everyone. The people around you are your brothers and sisters in Christ. You meet Him in them.

Peace!

Pastor Ziegler

THE FINANCIAL PICTURE

In August we lost a little ground in the Home budget, much ground in the Mission budget, and gained some in the Building budget, because of extra gifts for Debt-Down Sunday.

Home	Needed in 2019	\$ 633,187.78
	Given in 2019	597,351.47
Missions	Needed in 2019	27,886.46
	Given in 2019	22,014.03
Building	Needed in 2019	21,577.74
	Given in 2019	22,705.87

Looking at the above figures you can see that we are BEHIND \$35,836.31 in the HOME budget, BEHIND \$5,872.43 in the MISSION budget and AHEAD \$1,128.13 in the BUILDING budget. Probably toward the end of October we will need to have a 2nd Mile Offering for the Home budget.

Special gifts during August were:

Lutheran World Relief	141.00
Bus/Van Fund	24.97
Funeral Dinners	20.00
H.E.L.P. Foundation	185.00
Trinity Place Endowment Fund	45.00
Lutheran Witness	238.00
School Sponsor Plan	2,250.00
Technology (current) Fund	20.00
Trinity High School Endowment Fund	109.00
Loaves and Fishes	40.00
Playground Fund	50.00
Organ Fund	50.00
Portals of Prayer	5.00
Flower Fund	555.00
Air Conditioning Fund	2,500.00
Bethesda Home	20.00
Lutheran Heritage Foundation	5.00
Lutheran Hour	30.00

With these gifts this is how our BENEVOLENCE PICTURE looks:

<u>BENEVOLENCE</u>	<u>GOAL</u>	<u>GIVEN</u>
Bethesda Home	\$ 1,100.00	579.00
Luth. Heritage Found.	600.00	414.00
Lutheran Hour	900.00	1,063.00
Luth. World Relief	3,500.00	2,008.00

We have now made our Lutheran Hour Goal. We are behind on reaching our Bethesda Home goal. Let's concentrate on this in September. Remember Bethesda is an LCMS home for mentally impaired people.

Our Debt-Down Sunday (second Sunday of the Month, August 11th) several people gave special gifts. The amount received was \$993.71. This will go to pay down our debt on the Garage/Maintenance Building, now \$47,710.17. Our next Debt-Down Sunday will be September 8th.

So far in our "\$119 in '019" Offering for Dream Fund III, 74 families have given \$8,481.38. Thank you to all who have participated in this offering. If you have not, please do so soon.

Also, we are now looking for 40 sponsors for our 2019-20 School Sponsor Plans. We now have eighteen (18), 22 to go. In August we received a gift of \$1,200.00 from a non-member who believes in the Mission of Trinity School and wants to help children attend. When you give to this, be sure to mark your gift "School Sponsor Plan".

On September 8, we are going to have a door offering for the flood victims who are members of Trinity.

Every two years we invite the Gideons to make a presentation and have a door offering for the work of distributing Bibles. This is the year for that, and it will be on October 6th.

We end with a quote from a book entitled "Revolutionary Generosity". You've heard it countless times: "Put your money where your mouth is: Or as someone has paraphrased, 'Back up what you say with what you pay.' Jesus had an even deeper perspective. He said, 'Store up yourselves, treasures in heaven, where moth and rust do not destroy, and where thieves do not break in and steal. For where your treasure is, there your heart is, but make sure your heart is in the right place.'"

PASTOR'S ADULT BIBLE CLASS

After several months of study, we have concluded our study of Philippians. It was written by the Apostle Paul and what a beautiful letter it is. In it you can certainly see the great pastoral heart of Paul.

One Sunday, last month, we also heard several of our youth report on their experiences at the National Youth Gathering. Elsewhere, in this Newsletter there is a good report by John Hornbostel about this event.

Jack Selberg has been our speaker the past two weeks. Jack is an excellent teacher and what he brings is most interesting, insightful and informative.

Health Note for September 2019: Cholesterol, what is it and why is it important

September is national cholesterol education month, so I thought it might be a good health topic. Cholesterol is a waxy, fat-like substance found in our bodies and many foods. Our bodies need cholesterol to function normally and our bodies are capable of making all the cholesterol we need. Cholesterol levels are measured by a simple blood test that is taken after fasting for 8-12 hours.

This is where it gets more complicated. To check cholesterol your health care provider will typically order what is called a lipid profile. When cholesterol is measured in the blood what is actually measured is the 2 lipoproteins that carry cholesterol through the body. The first is low-density lipoprotein or LDL, so called "bad" cholesterol. This makes up most of the body's cholesterol. The second is high-density lipoprotein or HDL, so called "good" cholesterol because it absorbs cholesterol and carries it back to the liver where it is flushed from the body. A lipid profile will also typically measure triglycerides which is type of fat found in the blood that our bodies use for energy.

So why is all this important? High levels of LDL (bad cholesterol) can lead to plaque buildup in your arteries and result in heart disease or stroke. The combination of high levels of LDL and high triglycerides increases your risk for heart attack and stroke. Having high levels of HDL (good cholesterol) can lower your risk of heart disease or stroke. High cholesterol typically doesn't have any symptoms. The National Cholesterol Education Program recommends that adults 20 years old or older have their cholesterol checked every 5 years. Your health care provider may want you to have your cholesterol checked more frequently if someone in your family had a heart attack early in life. Some people have a genetic condition called familial hypercholesterolemia which causes high levels of LDL (bad cholesterol) beginning at a young age.

There are things you can do to lower your LDL cholesterol and triglycerides and maintain healthy levels. Number 1 is a healthy diet which is not new news! Limit food high in saturated fat such as: fatty meats, cheese, dairy desserts. Choose food low in saturated fat such as: lean meat, seafood, fat free or low fat milk, cheese, and yogurt, whole grains, fruit and vegetables. Also eating foods naturally high in fiber helps such as oatmeal and beans. Other factors that can help lower cholesterol are: maintain healthy weight, get regular physical activity, and limit alcohol intake. None of us live a healthy lifestyle all the time, but I like to remember the verse, "So whether you eat or drink, or whatever you do, do all to the glory of God." (1 Corinthians 10:31)

Praise the Lord for 150 Years of Trinity Lutheran School!!!

We started our school year on August 21st. Another year of teaching, learning, sharing, growing, and rejoicing! This year is not just another year, though. This is the 150th year of Trinity Lutheran School! The staff and students of Trinity are excited about celebrating our 150th Anniversary! We have chosen Psalm 150:6 as our theme verse. We couldn't resist the #150! The whole psalm is about praising God, ending with verse 6: "Let everything that has breath praise the Lord! Praise the Lord!" That couldn't fit our year any better!

We at Trinity are so thankful and blessed to be here. Even if this wasn't an anniversary year, it would be special. Every year at Trinity is special. Teachers here get to read the Bible and share the love of Jesus every day! Students get to pray, sing, and learn about God every day! Yes, we have Reading, Writing, and Arithmetic, but better (and more important) than that - We have Jesus!!

Our thanks go out to you! All of you that pray for us and help us with your offerings and by supporting our fund raisers! Thank You!! Please watch for information about our celebrations this year and join in when you can! You are part of our school too!

So, here's to 150 years, and 150 more to come!!

Jill Lowe
5/6 Grade Teacher

Greeting from Grades 7 & 8!

We are off to a great start and look forward too many fun times and activities for middle schoolers!

This year we will be concentrating on Kansas History for Social Studies. We'll look at how the history of our state shaped it what we have today. Last May we visited the State Capitol, so we will draw on that experience for many of our discussions.

Quizlet Live is a game that everyone enjoys playing to reinforce skills in a variety of subjects. The computer randomizes the students into groups, then questions are shown to each group, and only 1 person in each group has the correct answer! They have to use collaboration skills to succeed! Students get very excited each time we play this game!

We use our chrome books every day to enhance our learning. Students complete all of their math assignments online and are preparing for high school by learning how to use Google Docs to write essays.

Middle schoolers will have the opportunity to be involved in many extra-curricular activities. 7/8th grade boys are participating in soccer this fall. In October, we get a chance to have our academic talents shine by participating in the Academic Meet at Calvary Lutheran in KCMO, and in the Mathletics competition at St. Paul Lutheran in St. Joe.

For reading class, we read novels as a group. We are now reading the novel Wonder, about a boy born with facial anomalies and how his life is changed when he began attending school for the first time when he is in the 5th grade. We'll also read many books about the Holocaust this year, including the well-known, Diary of Anne Frank.

May 6-9, 2020 is our biannual Educational Experience to Washington, DC! We'll be preparing for this exciting event all year!

In May four 8th graders will graduate from Trinity! All four of these students, Emily, Josh, Preston, and Maddie, have been students at Trinity since at least Kindergarten! We pray God's Blessing upon this group as they enter high school!

Mrs. Leonardi & 7/8th Graders

SCHOOL IS BACK IN SESSION!

We welcome our new K-8 students:

BACK TO SCHOOL NIGHT AND FIRST DAY OF SCHOOL PICTURES

Thank You!

To: Adam Goodpasture and the Finance Committee

From: John Hornbostel

What an amazing and enriching seven days, from travel experiences to the National Youth Gathering events, to minor dramas, to hotel issues and commuting issues, everyone in the Trinity group learned more about each other, getting along, working together, helping each other, worshiping and most importantly growing in faith and sharing that experience.

The leadership of Jason and Jennifer Curley and Neil Wieland was excellent. They worked hard and slept little. The students responded very well as a group. I was proud to be among them and helping. I helped with the grunt work, but the most fun was making lunch sandwiches in the hotel room at 5:30 in the morning, a good time. Nights were short. We usually left the hotel by 7:00 and returned as late as 12:30 a.m.

Each day began with a walk to the light rail train. We rode the train to downtown Minneapolis, a ride that took thirty-five minutes. Once off the train, we got to walk another twenty minutes to the Convention Center or the Hilton Inn, where we did Bible reflections of the previous day and attended an opening session that was a praise service and day-overview. The Gathering theme, "Real, Present, God," as described in Psalm 46, "God is our refuge and strength, a very present help in trouble," was emphasized. After the opening, learning sessions were offered each hour through 4:00 p.m. Most of the sessions were in the Convention Center, so we walked again.

There were over ninety sessions offered to the students, most taught by Pastors or Lutheran college professors. Our students chose topics that interested them personally, but a few were chosen by the Leaders and made mandatory, especially the ones involving dating and sex. Most of us attended one on Evangelism. My favorite session was entitled "Mustaches, Fig Leaves, and Instagram: How Jesus Sets Us Free to Be Ourselves." It was taught by an urban Pastor from Salem, Oregon. It was exceptional and meaningful. If you would like further explanation of the topic, just ask me.

The day's Sessions ended at 5:00 p.m. All twenty thousand of the event participants now had two hours to find an evening dinner and walk, yet again, over to the Viking's football stadium for the nightly mass event. The mass event began at 8:00 p.m. The doors opened at 7:00, and it pretty much took that hour for everyone to make it into the stadium and claim the best seat possible. The mass event lasted two hours or more, and it was a praise service with scripture readings, multiple presentations and lots of contemporary singing. On three of the evenings there was extra entertainment provided, of special note was a Toby Mac concert. At the end of all the festivities, 20,000 plus people exit the stadium using the same three exit locations. At least a third of the people are rushing to the light rail to get back to the hotel. So, our day is finally finished after another long ride and another walk to our hotel.

Well, this "Thank You" note has become a wordy thing, but I wanted you to get the jest of what it was like, because through all the worship, work, play and weariness, all of us experienced "aha" or "wow" moments. All of us had moments of tears, just about every session and event. All of us felt the Spirit tugging away at our hearts, moving us to new understandings, increasing our faith and giving us greater trust in God as our refuge, in a world of challenges.

Thank you for providing the funds for me to participate in this event. Praise God from whom all blessings flow.
